Pressure to Be on Gallant Man in Race

BY JOHN CHANDLER

NEW YORK, Sept. 17 (AP)—The pressure will be on Gallant Man tomorrow in the scramble for a horse of the year honors when the little Irish 3-year-old tangles with 10 older horses for the first time.

Gallant Man, owned by Ralph Wolfe of Midland, Tex., steps out in the \$25,000-added Nassau County Handicap, a mile and one-eighth spin at Belmont Park.

It will be an important race, and almost a "must" for Gallant Man, presently involved in a controversy about the Kentucky's sound Table for the championship of U. S. thoroughbreds. Both sound Table and Gallant Man are 3-year-old colts.

Some tough handicap stars will oppose Gallant Man, to be ridden by Willie Shoemaker. The No. 1 opponent is Mrs. Jan Burke's Dedicate with Eddie Arcaro in the saddle. Other formidable foes include the Woodley Lane Farm's Reneged, winner of the Saratoga Handicap, and Howell E. Jackson's Tick Tock, who captured the Kentucky Mile at Belmont Sept. 7.

Round Table, best older horse at Saturday in the \$100,000 United Nations Handicap at Atlantic City, running up his eighth straight victory. The Kerr-owned flyer previously had whipped handicap stars in the Hollywood Gold Cup, and his backers say he rates the championship now over Gallant Man.

Gallant Man, sent out by Iron Pledge in the Kentucky Derby when Shoemaker misjudged the finish, has been unbeaten since his race, in which Round Table was third. He won the Preakness, the Belmont Stakes, an allowance race at Saratoga, as a tuncer for the Travers and the Travers itself Aug. 17—his last start.

Handicapper Jimmy Kilroe assigned Gallant Man 121 pounds for the Nassau, and gave 5-year-old Dedicate 126, both scale weight for age. Dedicate won two \$100,000

races, the Campbell Memorial and the Motomouth Handicap, then finished first in another, the Atlantic City Handicap, only to be disqualified for fouling. Reneged has 121 pounds, Tick Tock, 113.

Also entered were Edward Seinfeld's Admiral Vee, 115; the Greentree Stable entry of Rley, 113, and Popcorn, 108; Ogden Phipps' Bureaucracy, 107; Mrs. Wallace Gilroy's Oh Johnny, 111; Christopher T. Cheney's Third Brother, 119 and the King Ranch's Beam Hidden, 100.

Odds-makers list Gallant Man as the early 2-1 choice with Dedicate at 5-2 and Reneged 5-1.

LSD Star Gets Big Welcome

Louis Cannon, the Louisiana School for the Deaf's contribution to the United States "Deaf Olympic" squad, returned to Baton Rouge Monday to be met with a hero's welcome.

An assembly was hastily called on the LSD campus, and Cannon, in sign language, interpreted for the hearing people in the audience, related his experiences on the trip which took him from Baton Rouge to the site of the games at Milan, Italy, and through many of the major cities of Western Europe.

Cannon learned his experiences: "Sometimes frightening, always inspiring and forever unforgettable."

The American team walked off with the basketball and track championships in the meet, but the Russians, with the aid, Cannon says, of "big and strong" girl participants, won the overall meet.

LSU Cage Team To Participate in Carousel Meet

LSU's basketball team will join at least two other SEC cage squads and several independents and teams from other major conferences in the Carousol Tournament at Charlotte, N.C., December 13-21. Athletic Director Jim Corbett announced yesterday.

The annual tourney is one of the bigger holiday affairs in the nation.

A scheduled game with Loyola here December 20 has been postponed by an LSU agreement to allow LSU to compete in the tourney. The game will be made up in New Orleans December 23. The January 29 LSU-Loyola game, previously scheduled for New Orleans, will be played in Baton Rouge.

LSU's running and three other SEC athletes topped his best leap in the pre-game trials in Washington.

He ran his leg of the 1,600-meter relay in 51 seconds to pace the field, but his mates faltered and placed second.

Cannon's trip was made possible by contributions largely in response to a Louis Cannon Olympic fund drive promoted by the State Times. Nearly \$2,000 was raised.

The 19-year-old athlete, who graduated as valedictorian of his class at LSD last spring, plans to enroll at Galludet College in Washington Oct. 1, where he intends to major in chemistry.

PORT ARTHUR, Tex., Sept. 17 (AP)—A sudden outbreak of what doctors term Asian flu struck down 22 of the Port Arthur football team today.

Game May Be Played
CHICAGO, Sept. 17 (UP) — President WHI Harbridge of the American League today announced, that, under certain conditions, the rained-out White Sox-Senators game scheduled for Washington Monday night will be played Thursday. He also recognized that the White Sox are not yet mathematically out of the American League race by providing for a post-season playoff of the game "if still necessary to determine the league championship."

John Bell Loses No Time in GSC

LAKE CHARLES—John Robert Bell, the soft-spoken Georgian who was imported to inject new vigor into Southwest Louisiana Institute's football program, has lost no time in making himself felt in the Golf States conference.

Bell's Bulldogs carried Bell off the field on their shoulders last Saturday when SLI upset powerful Sam Houston State — and Bell's fellow coaches added to that accolade by voting him the GSC's "Coach of the Week" in the first of a series of weekly polls conducted by the Lake Charles American Press.

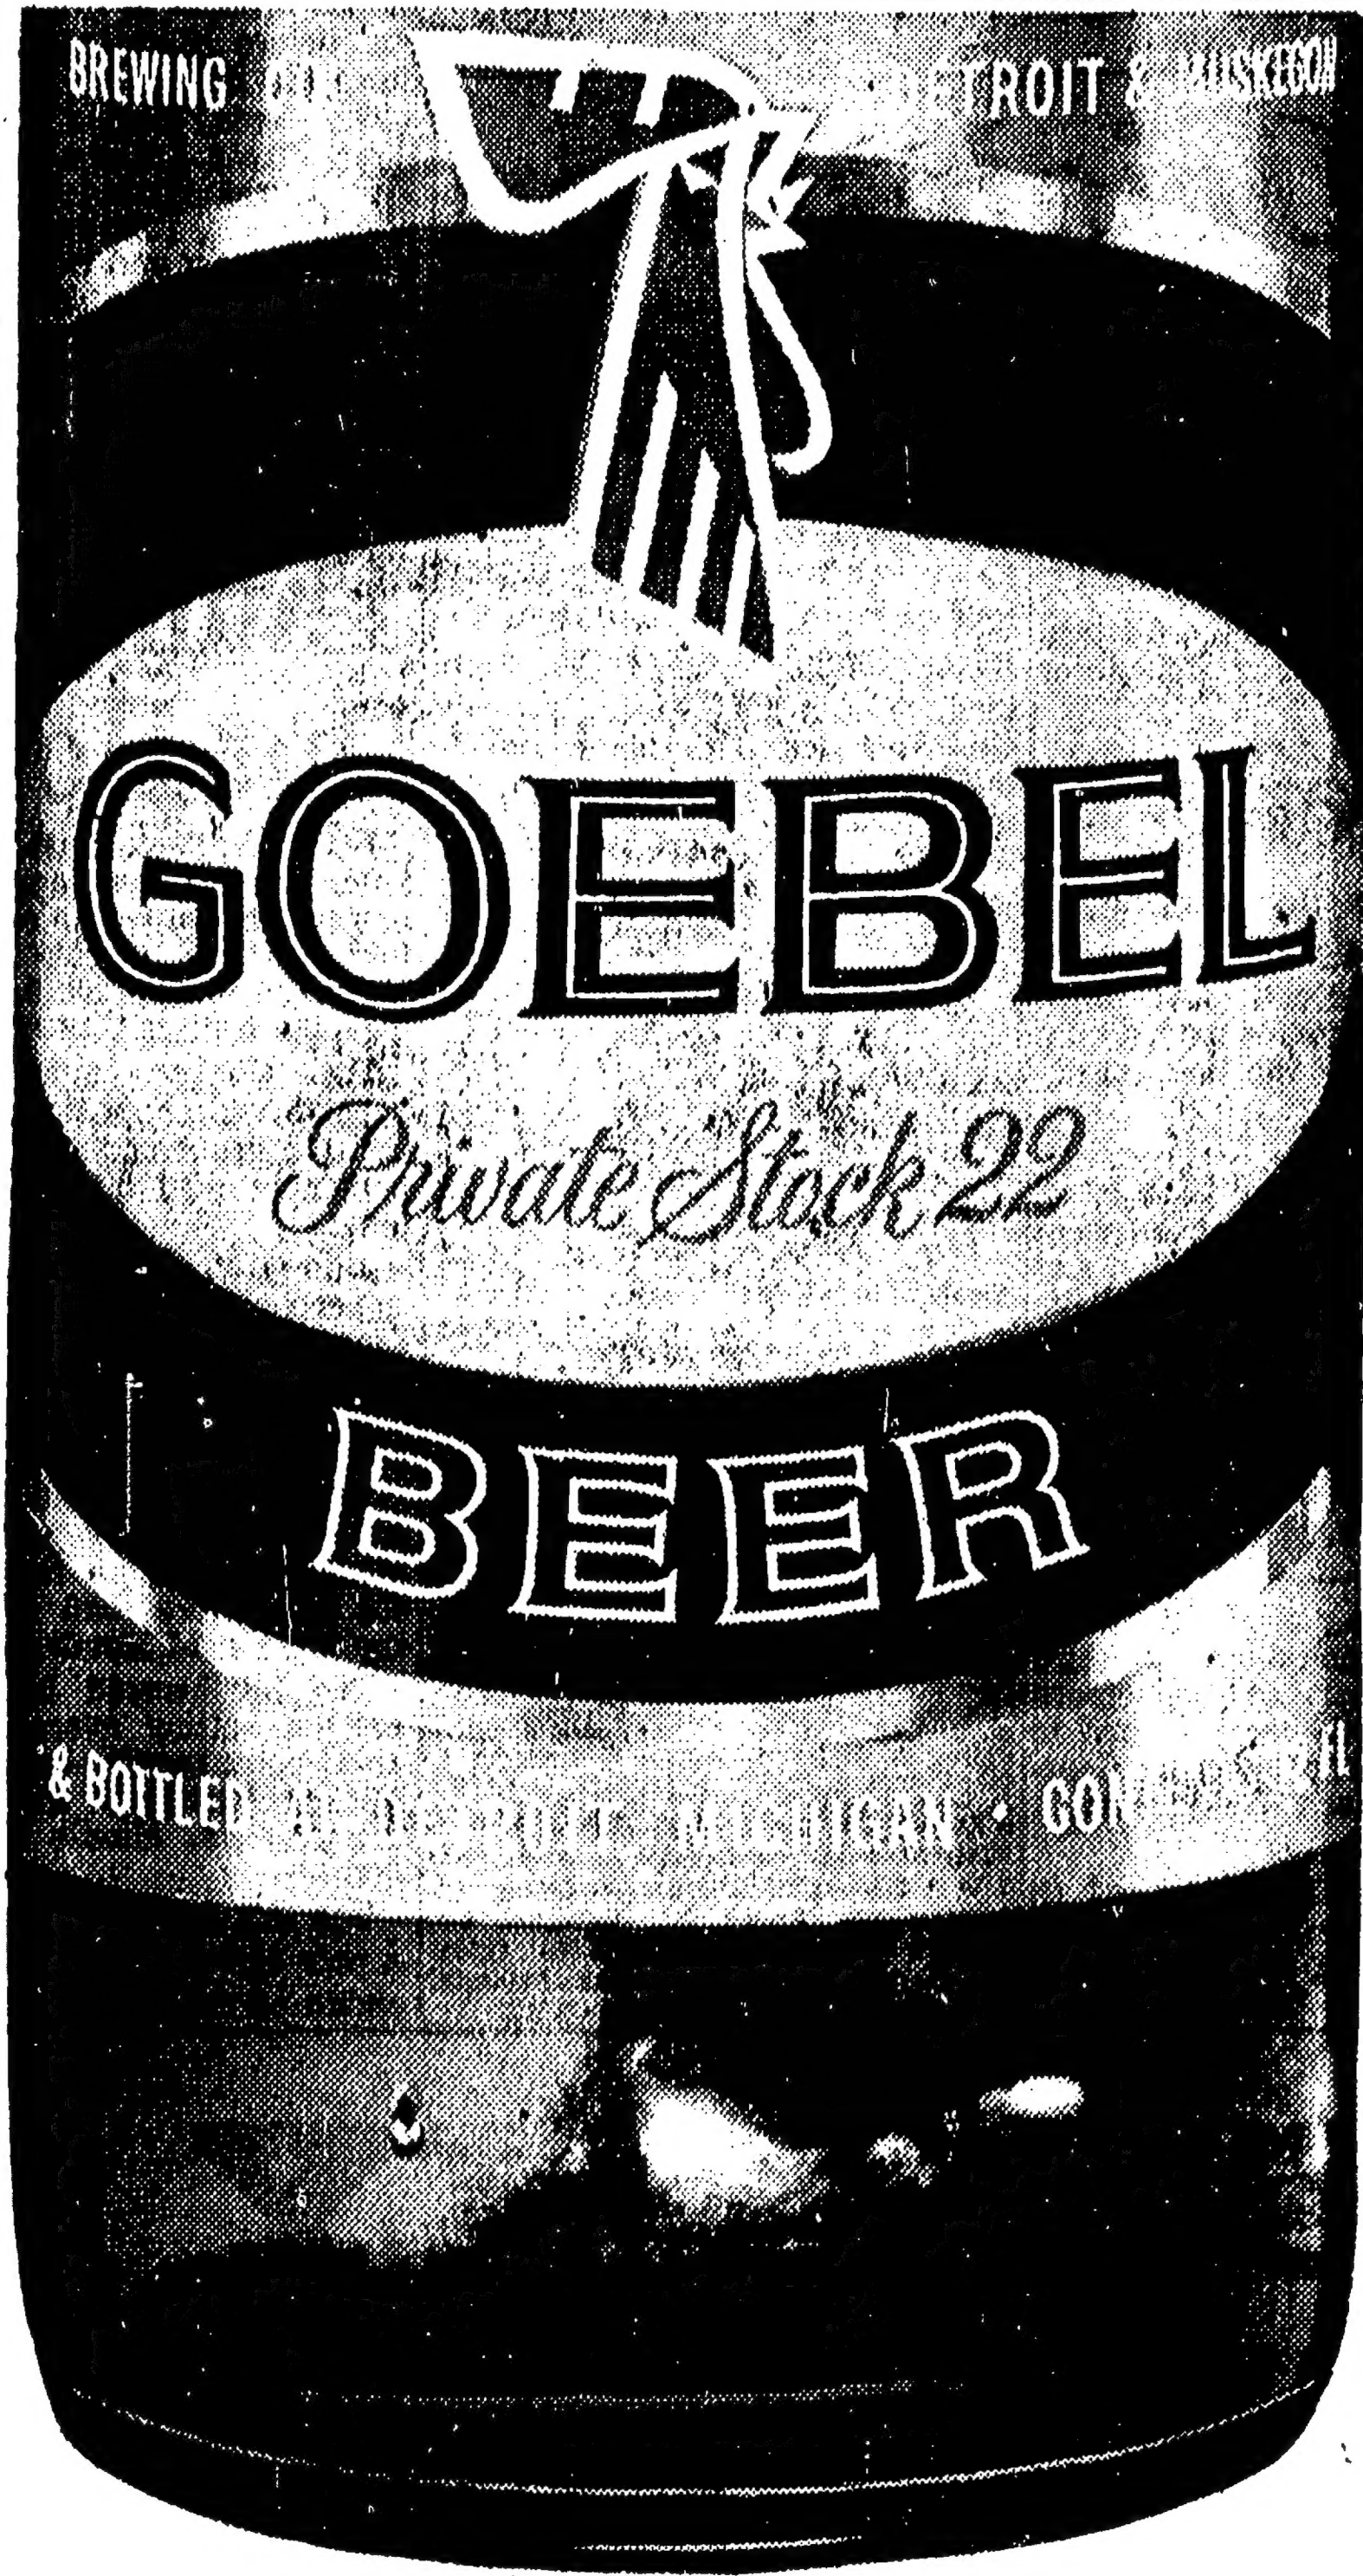

Bell received the votes of four of his fellow mentors for the honors. They gave him their ballots in view of the magnitude of the Bulldogs' feat. SLI was not highly regarded in GSC circles, while Sam Houston, unbeaten last year and victor in the Refrigerator Bowl, was considered one of the most powerful small-college elevens in the nation.

Jack Clayton, another of the circuit's newcomer coaches, received the other two votes for "Coach of the Week" honors. Clayton's Northwestern Bulldogs opened their season in impressive fashion by spilling Stephen F. Austin, 20-7.

Charley Tolar, Northwestern's medium-tank fullback was tabbed as "Player of the Week" for his help in steam-rolling Austin. Tolar, who stands only 5-feet 7 but weighs 190 pounds, was the work-horse of the Northwestern backfield against the Lumberjacks.

Tolar carried the ball 15 trips, and picked up 104 yards through and around the Austin line. He started the Demons off to their first score with a 33-yard burst, then hauled the ball over for the second tally, and had a big hand in the drive for the third.

Frank Foreman, SLI's rugged halfback who ripped through Sam Houston's line, was the only other player mentioned in the poll. He got two votes.

**ONLY GOEBEL
IS BREWED
WITH
CRYSTILLED WATER**

ONLY GOEBEL HAS IT! The equipment shown here "crystallizes" water. It's a Goebel exclusive! No other brewery in Michigan or the entire U.S.A. has anything to compare with it. Bear in mind, this is not just an ordinary water-filtering device. It's a patented purifying system. That's why no other brewer in our nation can produce a beer that is so delightful in taste, or of such uniform excellence, as Goebel Private Stock 22.

GOEBEL GOES NATURE ONE BETTER
All beers begin with water. But wonderful as our Michigan water is, it still contains elements harmful to the quality and flavor of beer. To solve this problem, Goebel installed their revolutionary "crystallizing" equipment. It produces water that is purer, more refreshing than the finest mountain spring water . . . purer than nature's best!

YOU CAN TASTE THE DIFFERENCE
Thanks to "crystallized" water—a Goebel exclusive—the Goebel Private Stock 22 beer you find at your dealer's is the lightest, most uniformly flavorful Goebel ever. Taste the difference "crystallizing" makes. Ask for Goebel—the beer with the bright blue label—the beer that's better to begin with.
